

## **A letter to Muslims!**

**Brothers and Sisters Muslims ...**

**I would like to point out that I am neither a prophet nor a saint! I do not represent any religion, church or sect! I am not a member of any denomination or party and I will never be!**

**Like everybody I am manipulated by earthly lies. Evil tried to defame me in every way. I experienced amazing stories and I endured it all to live to this moment. I do not know why, but I have the trait of discovering devilish manipulative lies and I want to reveal them to you. The translation of this text is done by an online translator. Therefore, I apologize for any inaccuracies. I am happy to accept comments to improve my texts by asking for contact at [fakty777@hotmail.com](mailto:fakty777@hotmail.com)**

**Brothers and sisters! I am sending you a letter with the idea that you will read it and understand your current situation! I want you to find out what Arab and other nations are in. Just like other nations and you have come under the rule of evil, which the world does not know, although they admit it unconsciously in every religion, church and Christian sects. Everyone does not know who the devil is, and they unknowingly consider him a man of God. All parties and people in different countries are under its devilish control, which is worse they do not realize. Generally, we are all under the control of the devil not to get to know our God the Creator and the Truth brought to the world by Jesus Christ. Especially your religion is under the rule of the evil one who wants to use you to realize his own dirty plan of gaining power over the world. Using the Jews, the devil wants to use you "as cannon fodder". Specifically, the devil manipulates Arab nations to become murderers in the eyes of the world and unworthy of existence in this world!**

**Evil wants you to make a bloody sacrifice to glorify pseudo-Jewish spouses who are Jewish and are not. He wants to glorify the Jewish spies on the heroic liberators from your murderous fighters. Your enemies, by murdering you, will show the world a false image of how to free it from under your dangerous religion. By deliberately accusing you in the future, the devil's system will want to murder your women and children completely, just as Hitler wanted to exterminate the Jewish nations. Against the background of this false freeing of the world, pseudo Jewish freaks will become heroes. Of course, the whole operation is directed by a devil whom you do not know, and you do not unconsciously notice him by becoming his victim.**

**You will think that my letter is a provocation to destroy your religion. You are wrong! In the New Testament, the Gospel of John in the Christian Bible is a phenomenon on a global scale. It is not known who wrote this Gospel in which he encoded all information regarding our Creator and His Firstborn Son. John's Gospel also explains to us who the devil is who manipulates our earth planet! Look logically at the story of Moses who supposedly got the Ten Commandments from the stone tablets, and you will quickly understand who this devilish**

creature is. In these ten commandments there were two very important ones.

**Do not steal**

**Do not kill!**

**Did not these commandments apply to Moses? Moses from the beginning of his religious friar was a murderer, killing the pharaonic governor. Jesus informed us about this in biblical information in the Genius New Testament.**

**John's Gospel chapter 8 verse 44.**

**Yes Jesus said to the Jews: Your father is the devil and you want to follow your father's lust. He was a murderer from the beginning and did not persevere in the truth, because there is no truth in him. When he tells a lie, he speaks from himself, because he is a liar and a father of lies.**

**Undoubtedly, the above verse applies to Moses! A general description of this event is on my page in the link under the title; Who is the Devil?**

**Moses and his Jewish soldiers killed tens of thousands of men and women as well as children. He even killed Jews themselves who opposed him. He stole and appropriated the land of other inhabitants of our planet! This procedure of killing and theft from the part of the Mosaic beasts lasts until today! An example is current Israel!**

**The devil divided and divided the inhabitants of Arab countries into various races and through religious systems provoked wars. He invented the religious lies that are in the biblical story of Abraham, who may have resulted in the cessation of child sacrifices, but other lies have divided one nation that is derived from one race. In the later history of Abraham, the devilish spirit on the basis of lies about his children born by Sara and her maid divided one race, two nations hostile to each other! So specifically you and the Jews. Devilish Lucifer uses the Jews and you, so that he could sit on the earthly throne in a devilish crafty plan so that he could manipulate people! Of course, this whole story of Abraham, like many others, are invented lies. In this way, one nation has been divided, that is, the Muslim nation and the present Jewish nation. You lost your sense without realizing that the Muslim and Jewish people are one branch of your race. The same happened to the Indian and Pakistani people, who divided religion and became enormous enemies. Generally speaking, all people in the world are one family, because we come from our Creator, who gave us a copy of His Consciousness, and specifically created us entirely. In my later text, I will explain why it is so! You will know your True Creator, his Son Jesus, and your own Muhammad and yourself, and above all I will unmask the devil who manipulates you. Please read to the end and you will understand the greatest mysteries that are manifest in our time.**

**There is nothing hidden in God's Plan that would not have been revealed.**

**Devilish Lucifer wants to become a false god and the king of the whole world! Previously, by the Nazis, he cleverly murdered real Jews so that the whole world would have mercy on them. The Mosaic misfits of the Jews who took advantage of them did so, and they are not. Rebirth of the Jewish nation in previously**

looted areas, which today is Israel's devil, wants to create a false appearance of the manifestation of Jesus Christ. Perhaps he wants to play the role of pretending to be a religious hero who, through wars and invasions against Muslim nations, will liberate the world from your violent attacks on the countries that you consider unfaithful! The camouflaged Mojżesz pomioty created a pseudo-Jewish devil mafia for the world to glorify them as a chosen nation. At the head of Lucifer, they want to rule the whole world, or actually almost almost rule, because they have all the world financiers in their paws. Returning once more to my message, the devil wants to glorify the Jews at the death of your nation in order to manifest themselves in the Jewish nation in the form of some biblical pseudo holy hero, perhaps impersonating even Jesus himself. Understand this time is coming!

Perhaps you do not know, and maybe many of you do not want to believe that your religion was prepared by the Vatican. Recently, there is evidence for this that a Muslim religion was created by a Vatican Pope who wanted to make a whip from Arab nations to disobedient Arab Arab countries who did not want to join the Vatican. In the seventeenth century, the Vatican prepared a young foolish Muhammad to the role of a prophet modeled on Jesus by telling him by force that he was a messenger from God. As a result, they made a foolish young man a fanatical saint as they did with various other people, and they do so until today. The irreverent Mohammed believed in his false mission, which in the Vatican's plan was to use it to unite the Arabs to join the Vatican religion and to destroy the true Christians who formed churches in the Arabian territories. The whole undertaking was a continuation of the Roman Catholic church, which wanted and wants to become the only world religion, just like you and Jews.

I realize that some of you will annoy my message, but please read it to the end, and you will understand who your Creator is and you will learn many amazing secrets, and above all who we are and where we are going!

In the seventeenth century, the Vatican heavily armed Muhammad and his newly formed Vatican fighters, who were selected from the most cruel people. As it turned out later, the Muslim bandits turned their backs on the Vatican, creating their powerful religion which, by force and conquest, captured a lot of Arab land. According to this, Muhammad has settled considerably on the artificial Muslim religion, whose motto is to kill and murder non-believers according to you, to poison the entire world with your religion. As we know from the history of the Vatican, seeing the betrayal of Muhammad under the guise of recovering Jerusalem, he provoked European Christian Catholics to attack the Muslims. It was a revenge for the Muslims, who were armed to their teeth, to betray their clients. Pseudo Christians, through their mendacious Vatican religious deceit, entrusted the Pope and attacked the most innocent Muslims under the pretext of the liberation of Jerusalem. In this way, the Vatican destroyed the Plan of God, which wanted to unite and cleanse all nations from the influence of the devil. Until now, the Muslim resistance of Arab Muslims continues before converting to our Creator through Jesus Christ and they do not want to know the message of his Truth. Your story can be partially compared to

**the history that has existed in our time. America armed the Afghan Taliban to the teeth to expel the Russians who occupied them. As we know after the liberation, the Taliban turned away from America creating their idiotic murderous ideology, becoming the fiercest enemies of America and the war continues so far.**

**It follows from this that among your Arab nations you have been born the mean murderous soldiers of the devil who trick your young people into a false illogical utopia that wants to take over the whole world. Not realizing that our Creator, the True God, whom the world does not know wants to peacefully lead the world to order and join him to the Kingdom of God! If the Arabs do not look at the eyes, just like the Jews, they will send tragedies, cataclysms and complete emaciation!**

If the Arabs do not look at the eyes, just like the Jews, they will send tragedies, cataclysms and complete emaciation!**

**It is high time to explain this in these times when we have the means and tools to reveal this huge mystery.**

**As we know, the researchers found the possibility of identifying each of us with D N A. This is an abbreviation for the name of deoxyribonucleic acid. We have been able to read the genetic code from genetic material for over a dozen years through a process called D N A sequencing. It is used to solve criminal puzzles and treat diseases. The code D N A consists of a few rules, where there are 3 billion of them in each cell. They are tested by sequencing. By studying D N A, you can determine where a person comes from. Researchers already know exactly that each organ of our body is composed of billions of cells from which we obtain our D N A. Even the smallest trace of anything we leave leaves D N A. When the cell is seen through a very strong microscope D N A turns out to be braided. On the screen they appear in the form of colored vertical bars, which for scientists are just a reference object to other codes to identify their owners. D N A. Code characters in the computer do not show their mysterious tasks and orders what to do and where to stay. Thus, it can be stated that the entire coding**

of the external cell has shown something to us, but what is happening inside we do not know. We do not know what records are located inside the cell in individual elements. They probably have a hidden record in their invisible containers! By not being able to see their codes, we are not able to find out what they are doing, what they are supposed to be and what they are supposed to do. Think! Your consciousness is a copy of our Creator's Awareness. Only our body blocks us from the concept of this issue because it is unclean, saturated with lies. Especially from false religions.

Our Creator is not a religion, but the Holy Word of God from whom all Life in the whole Universe was conceived. Life is based on the writing of Coded Characters and Words. What is the Divine Code and the Words coded in it?

Those who know computer systems know that a certain code system tells them to do different things. For example, when we build websites, our intelligence creates some code orders there, which, by means of a click, trigger some functions. The computer system process consists of coded ones and zeros, which obediently form so-called links. The Divine Code System is based on an unimaginable system in which Code Signs can appear in a huge space. If we wanted to draw them, to be visible and legible, they would occupy an area even the size of a small town. If they are encoded in the form of Divine Energy, this enormous record could fit in an incredibly small bit invisible to our eye. Let's take Egyptian hieroglyphs, which in the form of a picture and various characters with a small dimension engraved on the wall were able to create quite significant information. Let's see the Chinese script that we associate with bushes. One sentence can be included in one letter.

Is there evidence in my civilization about what I'm writing about? Cloning revealed that in one cell D N A is the entire record of the body of any animal and human also. What does it mean? This means that our whole body is made up of identical cells that have a strong code system that requires them to take the form of an organ. Each cell having a specific energy power is placed according to the self-programming order. I am not a scientist and I write everything from incoming thoughts to me. They come so quickly that sometimes their original message can not be kept up. I do not know how it happens, but after analyzing them, I come to the conclusion that there is some sense in this.

Considering the functioning of cells from the experience of scientists, we come to the conclusion that every human cell has an identical huge Life System. Cells in a man are billions and during the conception of the body the first of them in the form of a sperm multiplies in dizzying dumb. The former gives instructions to the newly created information about what they are supposed to be. The next ones are transformed into stem cells which, by giving birth, settle them in particular organs. In the meantime, other cells start to form the bloodstream and so on the first encode the whole organism arises. We have proof where the same named Doli was born from one cell taken from a sheep. This fact was publicized by the media.

If you have difficulty in understanding my message, think about how in a small similarity organize the life of insects creating in its nest, which looks like a living

**organism. Ants start their life from eggs made by the queen. Eggs are born from eggs, which automatically take the form of workers, guards, soldiers guarding the nests. Cleaners are created, ants that grow special molds that they feed on. Others provide the queen with food and nurture her. And there are codes in themselves**

**The proof of what I write is that everyone, despite different languages and nationalities, can communicate in a wonderful way. We can consider any information we obtain in a wonderfully coded way. God the Father has copied for us His Consciousness consisting of words encoded in the eternal Energy of Life. Our Soul is the shape of our Personality, in which there are billions of invisible invisible containers in an invisible form, which we called in the Earth style D N A. Only recently discovered human D A. Our Consciousness The Spirit is based on the Copy of the Divine Consciousness plus our own individual personality. I know that many of you can not understand how the system of our being is coded. Now is the time of computerization through which we can minimally compare their existence to their systems, which are also very complicated. We have to take into account that the system of our life is in self-supplying energy, computers work differently. The Divine Energy of Life in us Works like the system of our Creator and the inhabitants of His Kingdom. If it were otherwise, we would have a systemic conflict that occurs between different computers. To young people, it is easier to understand this issue, the older one needs to calmly explain that man consists of a billion, a billion little bit in which there is a Kodowy, Word record. That is with every bit of terrestrial matter, which seemingly is dead and in fact there are atomic particles with their codes in them. They once were connected and alive but some cataclysm turned them into an unstructured matter without the intelligence of independent living. See and think logically! The Prophet Muhammad never said that our Creator is the Living Word! Nobody but Jesus explained to us that our Creator is the Most Holy Word that started Life composed of coded words that constructed our Consciousness. Only Jesus brought the Truth, and in it he showed our Creator in his Word Personality and in the unimaginable Wisdom Encoded in Her, which enlightens the world to know his Creator and every human being as well. Jesus, through his Name in which he was born on our planet, revealed the Holy Name of our Creator.**

**The following verse shows how in a wise way Jesus revealed the Name of our God the Creator Father. If he would pass this information directly, he would not survive to this day. Various false religions, especially the Roman Catholic Inquisition, would destroy it, considering it to be heretical!**

**I came in my Father's name and you did not receive me. If, however, someone else came in your own name, you would accept him.**

**Gospel of John 5 verse 43.**

**I am not in the world anymore, but they are still in the world and I am going to you. Holy Father, keep them in Your name that You gave Me, that they would be one like us.**

### **Gospel of John 17 verse 11**

**As long as I was with them, I kept them in your name, which You gave me, and I guarded them, and none of them perished except for the son of perdition, that the scripture might be fulfilled.**

### **Gospel of John 17 verse 12**

**Through the biblical Codes, Jesus explained to us that all the Kingdom of God is similar to its Creator being in an identical Name, which is Himself. Look! Your religion has fooled some of you by telling you that virgins would be waiting for them in Heaven or something like that. The Kingdom of our God the Creator Father serves all humanity to maintain order, and is not a brothel as you think! In the encoded words in the Gospels, Jesus said that God the Father and the whole Kingdom serve the whole world.**

**You have to take into account the unimaginable theory that if we wanted to create one lively intelligent cell that we could see in a huge magnification, we would have to extract some maybe billions of computers in some amazing way, and maybe more code entries, which are also invisible to the eye. The codes are stored in digits and with various characters resembling geometric figures. Computer codes would have to be so compressed that they would create a bit of matter invisible to the eye. Computers have their own system and sometimes coded programs. The programs are just making them useful in various fields such as reading the D codes which are human or other creatures that live in the world. An artificial cell made of massive computer information by a computer system would be dead, for there would be no Energy of the Divine Life of Intelligence, which only our Creator knows. The codes of life are in the uninterrupted motion generating life energy. If death occurs in some organism, the Intelligence Codes go away and the cells become matter in a seemingly lifeless state. After millions of years under the influence of pressure or a powerful explosion, they will turn into some kind of mineral or element that we encounter on the Earth's planet. This is how the planets were created, the stars upon which death came through Lucifer. Their Life-giving Divine Energy of real life and intelligence has ceased. Explosions have completed this process, which in the form of rocks and minerals and various stones is visible on earth. Only our creator knows the codes of life and can revive all inanimate matter without any difficulty.**

**It has been discovered that there are Smart Stem Cells in the body from which some organs in humans can be obtained. What does it mean that Mother Stems have the Divine Life Code or Intelligence. Having the right environment can create a copy of the damaged organ in the body of a man or some animal. So, mankind already knows a lot about it but not that much. Because the cells have an invisible Intelligence Code commanding them to be where they should and to play the role of creating or regenerating an organ. What I have described applies to organisms that live on Earth. But that is not all that concerns us. Our body is embodied in the Celestial Code, specifically our human Intelligence. Specifically,**

**our Creator partially shared his Code Word so that we could exist and have our own individual personality. This is our Intelligent Consciousness, in other words, the Soul in which there is the Divine Code of Love, goodness and all the positive qualities of our God the Creator Father.**

**In many people the Divine Codes have been overpowered by the evil evil code of error, taking over all good. This is why we are talking about Jews, or pretending to be Jews, Americans, Africans, Russians, Chinese, Muslims, Catholics, sectarians, bandits, thieves and crooks, and many other options that have caused all our division into various idiotic figures. We have become a lot of misfits who have lost their sense of not good and evil and strive for self-destruction!**

**Understand! Codes through which human tissue is built are words and act as letters through which we understand words! although these are God's signs that we do not see and do not understand! Our God Creator, for billions of billions of years, constructed Intelligence, Wisdom, which became the Firstborn Son of our Creator. Later, together with the Son of Wisdom, they created a system of life entangling the words turning them into commanding codes, which in huge amounts created cells for living organs. Programmed Cells self-replicating to form organisms, even of gigantic dimensions including large planets that were once alive and died. Planets by some cataclysm huge explosions fossilized becoming non-living matter, just like the surface of our Earth's planet. All beginnings of creating our Creator were real eternal life. It was only Lucifer that led to the breakdown of the Divine System bringing death and destruction to the universe. For example, frequent explosions in huge amounts of planets, creating chaos in the entire universe. Our God the Father the Creator is the God of Order and did not create planets full of disorder and chaos. God is Absolute Love and has never hurt anyone. An example is Jesus, who is the Son of Wisdom who brought the Truth to the world and did not do it by violence! Jesus rebuked his disciples when they got into some ill-conceived ideas. You, Muhammad, punished death for disobedience. He destroyed entire cities that did not want to join his religion. This is happening to this day! See how Jesus reacted to the impetuosity of his disciples.**

**Luke's Gospel, chapter 9, verses 53, 54, 55.**

**He was not received, however, because he was going to Jerusalem. Seeing this, the disciples James and John said: Lord, do you want to, let's say, let the fire fall from heaven and destroy them? But he turned away and forbade them.**

**Look what happened in the history of the world and how religions were created! Every religion began with violence and bloody fights. Your religion was also created by the Mohammedan warriors, and if they did not want to join them, they murdered women and raped their children. Do not do it until now! The Roman Catholic Emperor Constantine and other emperors also created a similarly murderous way! See how Jesus called those who created and create religion by violence! Two thousand years ago it was written in the New Testament! Jesus gave his life for me and for you and does not want to leave you to devour wolves who are false prophets. Muhammad or any of your prophets**

**dared to give up your life for your salvation!**

**John's Gospel chapter 10, verses 8 to 16.**

**All who came before me are thieves and robbers, and the sheep did not listen to them. I am the gate. If someone comes in through me, he will be saved - he will come in and go out and find a pasture. The thief comes only to steal, kill and destroy. I came that the sheep might have life, and have it in abundance. I am a good shepherd. A good shepherd gives his life for the sheep. The mercenary and the one who is not a shepherd whose sheep are not owned by seeing the coming wolf, leaves the sheep and escapes, and the wolf carries them away and dissipates them. the mercenary flees because he is a mercenary and does not depend on sheep. I am a good shepherd, and I know my sheep, and mine know me. as the Father knows Me, and I know the Father. I give my life for sheep. I also have other sheep that are not from this pen. and I must bring them and listen to my voice, there will be one flock, one shepherd.**

**Come into the position of our Father Creator! Our hands would be broken, seeing such huge destruction in the entire universe.**

**God our Almighty Father loves us all! Good and bad and do not want to lose us. We are connected by our awareness of heavenly threads, and if we are wise, no one can tear us from God's Love and Eternal Memory. Even the devil himself who, though lying and cheating, must reckon with the Creator because his life depends on our Holy Father who is in the heavenly Kosmos.**

**The Bible says not to call anyone in the world the Holy Father, for the only God the Father is in Heaven. Jesus clearly stated that one can not make anyone a Holy Father if he does not know the whole issue, and specifically the answer to Who is our God the Creator and who is His Original Son.**

**Matthew's Gospel chapter 23 verse 9 I quote:**

**Do not call anybody on earth, your father; for one is your Father, the one in heaven.**

**The Vatican devils disregard Jesus' message with their popes, earthly fathers and almost gods!**

**We are like our Father in Heaven because in us is God's code of intelligent life, which allowed me to write to you a letter and the same intelligentsia. God's Love Code is in you and thanks to him you can read and interpret it!**

**May the Love of our God the Creator Father be reborn in you so that the whole world will move away from the devilish Moses, who hid his identity so that he would not be exposed, that he is the son of losing Lucifer through whom death and huge tragedies came to the entire universe.**

**As you can see, God the Father the Creator and the whole Kingdom of God is the Syntax of the Code Words, of which the Divine Consciousness is separate and the Heavenly Body is Divinely Encoded with the Divine Word. We also belong to the Kingdom of God who have believed in the Divine Wisdom and have accepted the Name of God the Father in Heaven in which name the Son of**

**God Jesus came.**

**Our God, the Merciful Father, does not exalt himself above anyone, as Yahweh, Allah, Buddha and many other murderous false gods do. Our Heavenly Father serves us being equal to each of us.**

**Mark's Gospel, chapter 10, verses 42, 43, 44, 45.**

**And Jesus called them to him and said to them, "You know that those who pass as rulers of nations oppress them, and their great ones give them their power. It will not be so between you. But whoever would become great among you, let him be your servant. And whoever would be the first among you, let him be a slave of all. For the Son of Man did not come to be served, but to serve and give his life as a ransom for many.**

**Thanks to our Creator and his sons, there is still control of the universe, so that there are no wars and tragic events. In contrast, when the Kingdom of God protects our world from tragedies, all invented religions and their false gods strive for constant wars. They are murdering innocent people. What is worse, these cruelties are often done allegedly in the Name of God, which the world does not know.**

**Idea! God gave His Body to crucifixion because Jesus was in the same Body that God gave birth to all in His Kingdom, thus creating the Unity.**

**Below in the Biblical information in the Gospel of John there is a message which, after a deeper analysis, will reveal to us that God the Creator and Son of God Jesus are Identical, united in their unimaginable Love and unlimited Wisdom, bringing us peace and joyful happiness!**

**John's Gospel chapter 14 verse 10**

**Do not you believe that I am in the Father and the Father in me? I do not speak the words that I tell you. The Father who abides in me, he himself does these works.**

**John's Gospel chapter 14 verse 11.**

**Believe me that I am in the Father and my Father in me. If not, believe it at least for the sake of the works themselves.**

**John's Gospel Chapter 14 verse 20**

**On that day you will know that I am in my Father, and you are in me and I in you.**

**The above verses mixed my mind for a long time. I could not understand why the Son of God was equal to his Father. I prayed on this matter, asking that Jesus would not take away the Divinity of our Creator. It's only been a few months since I understood how wonderfully encoded information was that dazzled me!**

**In the Kingdom of God, everyone looks the same and they are in the same Name.**

**Being in one Name and the same spirituality, they rule the entire universe, or actually serve him. Such a system is the safest and the righteous because it is guided by Justice, Love and the Eternal Peace.**

**All who murder in the Name of God for their murderous evil offenses, whether they want or do not want to be born again, but this time in terrible places on Earth. It can be even worse, where the degenerates will exist in even worse places that exist on other planets in the entire universe. See in the following verse what Jesus says about being born again!**

**John's Gospel chapter 3 verses from 1 to 14.**

**There was a man among the Pharisees, named Nicodemus, a Jewish dignitary. He came to him at night and said to him, "Rabbi, we know that you came from God as a teacher, no one, because he could not make such signs as you do if God was not with him." Jesus answered him, "Indeed I am telling you, if someone is not born again, he can not see the kingdom of God. "Nicodemus said to him," How can a man be born an old man, can he enter his mother's womb again and be born? "Jesus answered: truly, truly I tell you, if one is not born of water and the Spirit, he can not enter the kingdom of God. That which is born of the flesh is flesh, and what is born of the Spirit is spirit. Do not be surprised that I said you: You must be born again, the wind blows where it pleases, and you hear its noise, but you do not see where it comes from or where it goes, it is with every one who is born of the Spirit.**

**From the above verses it is clear that there is life after life, in other words reincarnation. There is an ancient group of people calling themselves**

**Drusen. The Druze family can not give up their faith, nor can their families join them. In Israel, the largest group of about 100,000 lives. They confess that their community has existed for three thousand years. They come from the Egyptians. They have their origins before Jesus and even by Moses. They are the only religious group with the oldest tradition on Earth. They believe in one God and in reincarnation. Druze religion contains elements of Christianity, Judaism and Islam. You can not join the Druze religion, only if someone is born with them can be Druze! It was found that the genetic features of Jesus come from the Druze.**

**I also believe in life after life and I am sure that Jesus' words clearly indicate that our souls can be born again in different countries and religions. In short, each of us can be born in another country by confessing to a different religion! For example, a Muslim may be born a Catholic he once hated. What's worse is that he did badly in his previous life, without realizing that he would be persecuted by his previous kin from the Muslim nation in the new Christian life. Remember! Our God the Creator Father is no religion, church or sect. He is the Father of the entire cosmic universe, which is ruined and still needs repair. We, through our own stupidity, can destroy our earthly civilization over which our God the Father from space has been weary, to bring her to the modernity we have today. Devilish Moses strives to make our civilization go back to the Stone Age or perish in the nuclear war!**
